Summary

Software developer with experience in .NET, Microsoft Dynamics 365, and Power Platform development. Skilled in building full-stack applications using React.js, Node.js, and SQL databases. Experienced in developing scalable backend APIs, authentication systems, and workflow automation solutions. Strong problem-solving skills with active practice on LeetCode and hands-on experience building real-world applications including e-commerce and blockchain platforms.

Technical Skills

Programming: Java, Python, JavaScript
Frontend: React.js, React Native, HTML, CSS
Backend: Node.js, Express.js, ASP.NET MVC
Databases: MySQL, SQL Server, Supabase
Tools & Platforms: Git, Firebase, ImageKit
Cloud / Platforms: Microsoft Dynamics 365, Power Apps, Power Automate

Experience

Cognizant	Bangalore, India
Programmer Analyst Trainee	2025 - present

- Completed intensive training on full software development lifecycle and enterprise application development.
- Developed applications using C#, ASP.NET MVC, SQL Server, and ADO.NET.
- Built solutions on Microsoft Dynamics 365 and Power Platform (Power Apps, Power Automate).
- Implemented workflow automation and business process solutions using low-code platforms.

Projects

Ecommerce Website
Tech: React.js, Node.js, Express.js, MySQL, Supabase

- Developed a full-stack ecommerce platform with authentication, product catalog, cart, and order tracking.
- Designed REST APIs using Node.js and Express.js with MySQL for persistent storage.
- Implemented JWT authentication and Google OAuth login with role-based access control.
- Built responsive frontend in React with form validation and API integration.

Blockchain Crowdfunding Platform
Tech: React.js, Node.js, Ethereum, Hardhat, Supabase

- Built decentralized crowdfunding platform enabling startups to raise milestone-based funding.
- Developed Ethereum smart contracts using Hardhat for transparent fund management.
- Integrated MetaMask wallet for secure blockchain transactions.
- Used Supabase for authentication and database with real-time updates.
- Implemented media uploads using ImageKit and notifications with Firebase.

Education

Nadimpalli Satyanarayana Raju Institute Of Technology	B . Tech • 8.2
Computer Science and Engineering	Andhra Pradesh, India • 2021 - 2025

Certifications

AWS Academy Cloud Architecting - ICET Academy via Infosys [AWS]	Microsoft Certified: Power Platform Functional Consultant Associate	Microsoft Certified: Power Platform Fundamentals
